

Five Star Co-op Family and Friends

Relay for Life Team

Five Star Co-op has a Relay for Life team called Five Star Family and Friends. To help raise money for the American Cancer Society our team is having fundraisers and we are asking for your help.

We are sponsoring a can drive. Every Tuesday through June 1st, 2010 you can bring your cans into the co-op and we will take them to the redemption center to be redeemed for our Relay for Life team donation. If you live near Mason City and would like to take your cans directly to the redemption site, we have an account set up at NIVC, North Iowa Vocational Center, under Five Star Co-op Relay for Life Team. Tell them when you drop off your cans you want to donate them to our team and they will take care of it. We would really appreciate your support.

We are also selling "Ribbons" for \$1.00 donation. We have ribbons "In Memory of" to remember those we have lost and "In Honor of" to celebrate those who are cancer survivors. We will post the ribbons at the locations until the Relay. The night of the Relay we will display the ribbons on boards at our camp site to show why we walk.

Some locations will also be selling bottled water and candy bars throughout the next few months to raise money for our team for the Relay. Please help us as we raise money for cancer research.

We truly appreciate anything you can do to help in our effort to raise money for the Relay for Life. It seems all of us have been touched by cancer either through family or friends. We need to do whatever we can to support cancer research to find a cure.

Thank you for your support.
